

Dear members,

On behalf of the committee I hope that this letter finds you in good health and spirit even though they are unprecedented times. To all that celebrated Easter I wish you enjoyed your Holy day, Ramadan Karim to all our members fasting at this moment.

I have taken the time to give you a run down on what's happening with our game and our club. As per the previous announcement made on the 1st April 2020 by the FFA and Football Victoria regarding the commencement of the season, no decision has been made. However, the club has been in constant communication with FV/FFA and they have promised that they will let us know immediately once a decision has been made.

With the information that we have gathered the commencement of the 2020 season looks bright. All indications at this moment are showing that the 2020 season will commence and but will conclude later in the year that we are used to. With this in mind, please be rest assured that our committee is working feverishly to get us up and going as soon as we get the go ahead. We will endeavor to inform you of any changes which may happen as we get the information. From a positive point of view our ground is looking in mint condition due to the break. We are all counting the minutes till the beginning of the season regardless of when that may be.

To our valued sponsors, a big thank you for your continuous support we look forward to having you alongside us throughout this year!

To all our members we look forward to seeing you sooner rather than later, this will still be the year of the Panther.

Please follow the instructions from the Federal and State Government and stay safe!

Kind Regards

Michael Eliades (GUSC President)
